SAAAPM Councilor  
AUA Scientific Advisory Board  
FSIPP: Board-Member  
Junior Editor at the ABA  
Scholarly: 53 peer-reviewed publications on *Pubmed*. NIH-Funded research.

Currently, I am a Professor and Chief of the Pain Medicine Division at the University of Florida in Gainesville. My practice includes Pain Medicine and OR Anesthesia. Education, the impact of exercise on perioperative outcomes, and clinical outcome studies of interventions in pain patients are my main research interests, for which I am funded. My scholarly activities include 53 publications listed on *Pubmed* and several book chapters.

I am also the Director of our Multispecialty Pain Medicine Fellowship which I expanded to become one of the largest fellowships in Florida with six fellowship positions.

Based on my experience, connections, advocacy, and training the next generation, I believe that I will serve our mission for our specialty well in an ever-changing healthcare environment.
