

## **Steven Porter, MD**

### **Assistant Treasurer Candidate**

I have been involved and invested in the FSA since moving to Florida in 2011. I have been to Washington, DC and Tallahassee to advocate for our organization. I have been a ASAPAC, FSAPAC, and FMAPAC donor for years. I am one of the annual meeting co-chairs. I also sit on the legislative committee. I am also the program director for my hospital's regional anesthesia fellowship. I am an advocate for physician led anesthesia care and help to train Florida's future anesthesiologists. I have been the 'doctor of the day' in Tallahassee on behalf of the FSA.
