

Thomas Fuhrman, MD

ASA Delegate at Large Candidate

ASA Alternate Delegate Candidate

I have been a Delegate to the HOD from three states, I understand the system and happily donate my time and efforts to represent the FSA. I have physically attended the ASA for all but two years since 1988 and intend to continue attending. I am currently the Chair of the FSA's CCM Committee as well as Co-Chair of the Abstract Sessions at the Annual FSA Meeting. I am also the FSA liaison to the Flor Soc of Resp Care and now Medical Advisor to the FSRC. This year I am Chair of the Respiratory Care NetWork of CHEST as well as CHEST's liaison to the National Board for Respiratory Care. I am finishing a 12 year long term on the Respiratory Care Comm of the ASA, Chair for six years.
