

Thank you for your interest in submitting an abstract for the upcoming Scientific Session. This document is intended to be your guide in using the online submission software and we strongly suggest you print this out for future reference. If you have any questions regarding the abstract process or the use of the submission site, please call 786-300-3183 and ask to speak to Dan Berlant (x118) or Jason Levine (x100). You may also email abstracts@fsahq.org with your questions and comments.

The abstract submission system includes the following features:

User Accounts:

All users must register to use the system. All abstracts submitted by an account can be viewed and managed from the account. Abstracts may be edited or deleted without having to contact the FSA office.

Save for Later:

If you need to leave before finishing a submission, simply logout and log back in later. Your abstract will be saved at the last point you saved data.

Improved Support for Special Characters, Images, and Table:

Most of the standard ASCII character set can be copied from your word processor and into the abstract text. Abstracts may now contain formatting, multiple images and tables, and improved scientific character recognition.

IMPORTANT DATE:

**THE SUBMISSION DEADLINE FOR
ALL ABSTRACTS AND VIDEOS IS
FEBRUARY 25, 2023 | 5:00 PM
(Eastern Time)**

(The deadline will not be extended and no late submissions will be accepted!)

This is the entry page for the abstract software. **ALL submitters MUST create a new account to submit an abstract. Accounts created in the past submission run will no longer work. You must create a new account for 2022/2023 (you may use the previous username and password).** The link to create an account is found just below the login box.

Part 1a – Technical Requirements

We have tested the software with multiple browsers and operating systems. Please use one of the following to access the abstract submission system.

Browsers:

Windows:

MS Internet Explorer 11 or newer

Current versions of:

- Firefox
- Chrome

Macintosh:

Current versions of:

- Safari
- Firefox
- Chrome

Mobile Devices:

We do not currently support mobile browsers

Screen Resolution:

We recommend setting your screen resolution to **AT LEAST** 800x600 pixels. Users with a screen resolution of 640x480 pixels will have a hard time navigating the site. All screenshots were taken at 1920x1080 resolution with Firefox 48.0.2. What you see will vary depending on your computer and browser settings.

Part 2 – Creating a New Account

You must create an account before you can submit abstracts for this meeting. Each user account can submit an unlimited number of abstracts. If your institution is planning on submitting multiple abstracts, it may be to your benefit to coordinate all submissions under one account for easier management. Once you have clicked on the link to create a new account (from [Part 1](#)), you will see the following screen:

The screenshot shows a web form titled "Register User" with a sub-section "Contact Name". The form is enclosed in a box with a "Details" header. The fields are as follows:

- *First Name: First Name (text input)
- MI: (text input)
- *Last Name: Last Name (text input)
- *Title: BA (dropdown menu) (highest degree)
- *Email: email address (text input)
- *Confirm Email: email address (text input)
- *User ID: You create this (text input)

A "Save" button is located at the bottom right of the form.

Please fill out this form completely, as all fields (except Middle Initial) are required. This is the main Contact Name for the entire account. Individual abstracts can have a different contact name if desired.

You **MUST** enter a valid email address and you **MUST** be able to check that address for new messages to receive the password to log in. Additionally, we recommend you whitelist @submitmyabstract.com email addresses in your spam filter to prevent the message from being blocked. Passwords are automatically generated and emailed to verify the email address. This step is necessary because we will be conducting communications almost entirely by email. After submitting the above form, you should receive the password by email within 5 minutes. If no email is received after 10 minutes, please contact the [FSA Office](#) for assistance.

Part 3 – Logging In

By now, you have created an account using the form from [Part 2](#) and you have received your password by email to the address you provided. The randomly generated password will look something like this:

6TZldrK3S2

Follow the link in the email to go back to the abstract site login screen and enter the User ID you created into the User ID box. The passwords **ARE CASE SENSITIVE**, so you must enter capital and lowercase letters exactly as shown in the email. ***We suggest that you copy and paste the password from the email into the login box.*** Once you have entered your User ID and password, click the **Submit** button to log in.

Part3a – Resetting a Forgotten Password

Upon clicking the “**Forgot your password? Click here**” link on the login screen, you will be taken to the password reset screen:

A screenshot of a "Lost Password" form. It has a title bar "Lost Password". Below the title bar, there are two input fields: "User ID: user id" and "Email: email address". Between these two fields is the text "OR". Below the email field is a "Submit" button.

Enter **EITHER** your user ID **OR** your email address above and click the **Submit** button. The password for that account will be reset to a new randomly generated value and emailed to the address provided when you created the account. If you do not receive the new password within 5 or 10 minutes, please contact the [FSA office](#) for technical support.

Part 4 – The Main Menu

After a successful login, you will see the following screen:

Because this is your first time logged in, you have no abstracts in the system.

To begin submitting a new abstract, click the “**New Abstract**” link at the top of the page ([go to Part 5](#)).

To change the randomly generated password, **click on your user ID** at the top right of the screen ([go to Part 4a](#)).

Part 4a – Changing the Password

To change the randomly generated password to something easier to remember and type, click on your **User ID** at the top right of the main menu. You will see the following screen:

Contact Name

Details

*First Name: MI:

*Last Name:

*Title: (highest degree)

*Email:

*Confirm Email:

*User ID:

*Password: (8-15 alphanumeric)

Confirm:

To change the password, first enter your email address in the “Confirm Email” text box and then simply enter the new password in the Password and Confirm fields and click the **Save** button. You will see a message at the top of the screen if the information was saved successfully. At that point, you can **Logout**, return to the **Main Menu** or begin a **New Abstract**.

Part 5 – Submitting a New Abstract || Step 1 – Contact Information

When you click on the **New Abstract** button at the top of the Main Menu, you are taken to the following screen:

All fields marked with the **red asterisk (*)** are required and may not be left blank. The system assumes that the Contact Name of the account will also be the contact for the abstract, but you may change this if you wish.

Please enter a valid postal address as well as a valid phone number and email address. Entering a fax number is optional but highly recommended.

Click the **Next** button at the bottom of the page to continue, or click the **Cancel** button to discard this abstract and return to the Main Menu.

*Author(s):

In accordance with ACCME regulations, the accredited provider for this activity must ensure that anyone who is in a position to control the content of the education activity has disclosed to us ALL financial relationships with any ineligible company (formerly "commercial interest" - see below for definitions). Should it be determined that a conflict of interest exists as a result of a financial relationship you may have, you will be contacted and methods to mitigate the conflict will be discussed with you. In addition, all affirmative disclosures must be revealed by a slide at the beginning of the presentation or note that you have nothing to disclose. Failure or refusal to disclose or the inability to resolve the identified conflict will result in the withdrawal of the invitation to participate.

Ineligible companies (formerly commercial interests) are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Examples of such organizations include:

- Device manufacturers or distributors
- Pharmaceutical companies or distributors
- Bio-medical startups that have begun a governmental regulatory approval process
- Growers, distributors, manufacturers or sellers of medical foods and dietary supplements
- Manufacturers of health-related wearable products

The ACCME does not consider providers of clinical service directly to patients to be ineligible companies. (<https://www.accme.org/accreditation-rules/standards-for-integrity-independence-accredited-ce/eligibility>)

Length of Financial Relationships: The ACCME requires disclosure of financial relationships with ineligible companies in the 24-month period preceding the time that the individual is being asked to assume a role controlling content of the CME activity. You do not need to disclose your spouse/partner's relationships.

What to Disclose: ACCME requires that individuals disclose ALL financial relationships with ineligible companies.

Enter the abstract title in the first field on this screen.

Click **Add Author** to begin adding the First (Primary) Author.

*Has this author had within the last 24 months a financial relationship with an ineligible company?

Yes No

Enter in the author's Name, Title, Cell Phone, Email, Institution and Training Status. Then check-off if there is a financial relationship to disclose within the last 24 months.

The ACCME Standards for Integrity and Independence in Accredited Continuing Education states that all owners or employee of an [ineligible company](#) may not serve as a planner or speaker for an accredited CME activity if the business line or products of the employee/company are related to FSA content. Therefore, FSA's declares that no employees of an ineligible company may present or have any control of content in FSA CME accredited activities . This policy is applicable to, but not exclusive to, invited faculty, abstract presenters and authors. Faculty/speakers who serve on an ineligible company's Board and who receive a salary will be considered an employee.

Visit [Eligibility | ACCME](#) for full definition and a list of all exceptions.

Please contact [Stephanie Hige](#) at the FSA Office with any questions regarding FSA's Policy on Employees of Ineligible Companies.

It is at this point where you must disclose any and all financial relationships with ineligible companies. If there is nothing to disclose, select **No**; you be taken back to the previous page where you may add more authors. If there is anything to disclose, select **Yes**; you will be taken to another page to enter your disclosure(s) and conflict of interest management strategy.

At the bottom of the dialog box, there are two buttons: '<< Back' on the left and 'Submit' on the right.

Enter author's financial disclosure.

Click **Submit** to advance to the next screen to add another disclosure or complete the disclosure entry for the author.
